

# My NEW Home

*"I want every day to be a fresh start on expanding what is possible."*

– [Oprah Winfrey](#)

WELCOME!! This is my first post in my NEW home! I am sooooo GRATEFUL you are here. I am not new to blogging...in fact I have been keeping a VERY active blog since 2009 over on Blogger. You can find Words of Me Project [here](#). I would LOVE for you to visit!! There is a TON of GREAT stuff to be inspired by!! And While I loved my blog so very much I felt a need to begin anew. So much has changed in my life in the past 9 years and this fresh, new start is just what I need!

Ready to Fly

I hope you will take the time to grab your favorite drink, get comfy and look around. There are FREE classes, creativity

challenges and so much more. You can [go here](#) to check those out. Be sure and check out my most pinned class on Pinterest...[52 Weeks Being Me](#). If you're ready to get into your journals today but are stumped for what to journal about then go [here](#) for 50 journal prompts. And to keep the inspiration flowing daily be sure and join my [Brave Heart Sisterhood Art Journaling](#) group on Facebook.

I know this week is a busy one for those of us in America...It's Thanksgiving Week! If you're like me you will be busy most of the week between shopping, cooking, traveling and visiting. Be sure and take time for YOU this week by spending time in your journals. I can't think of anything else that calms me down and soothes my Spirit better than time spent cutting, gluing, painting and creating in my journals.

Have a WONDERFUL and BLESSED week, girls!!!

xoxo

Leslie
